Dear Mr. Nob,

Official Letter of Support for Botswana Flying Disc Association (BFDA) WFDF Membership

As the continental governing body for Flying Disc sports in Africa, the All Africa Flying Disc Federation (AAFDf) fully supports the Botswana Flying Disc Association's (BFDA) application for membership with the World Flying Disc Federation (WFDF).

Botswana's inclusion in WFDF will strengthen the development of Flying Disc in Southern Africa and contribute to the sport's growth across the continent. BFDA has shown dedication to building a strong Flying Disc community, and we recognize their commitment to advancing the sport.

We trust that BFDA's application will receive due consideration, and we look forward to collaborating with them to further promote Flying Disc in Ethiopia and beyond.

Yours sincerely,

Ronny Ochoro
President
All Africa Flying Disc Federation
